The nutritional information provided is a compilation of data provided by Analytical Food Laboratories, Grand Prairie, TX (an independent testing facility contracted by Spaghetti Warehouse Restaurants, Inc.), combined with the nutrient data from SWRI suppliers, the United States Department of Agriculture and nutrient database analysis of SWRI recipes using Genesis SQL program from ESHA Research, Salem, Oregon. The rounding up of figures is based upon guidelines of the Food and Drug Administration.

Spaghetti Warehouse Restaurants attempts to provide nutritional information regarding its products that is as completed as possible. Some menu items may not be available in all restaurants; test products, test recipes, limited time offers, or regional items may not be included. Further, from time to time, we may have to obtain product from different or substitute suppliers which may alter the information contained herein. While menu item ingredients are based upon standard product recipes and portions, variations may and do occur based upon ordinary differences inherent in the preparation of menu items, local suppliers, region of the country and season of the year. Additional, no products are certified vegetarian. 09/09
