“We take great pride in every detail of every serving of our ‘Incredible’ 15-Layer Lasagne. We take three full days to prepare our Lasagne so that every order is perfect. We use the freshest ingredients, made from scratch, and we hand roll 10,000 meatballs every day. We build our Lasagne using ricotta, Romano and mozzarella cheeses and our House made Italian Sausage from a special recipe of ground pork. And, we top it off with even more of our house-made meat sauce,” adds VanGurp.
